RALIVE RISK A PART OF RSG NATIONAL SPECIALTY PROGRAMS

TENANT USERS LIABILITY INSURANCE POLICY (TULIP)

Available Nationwide

Alive Risks' Tenant Users Liability Insurance Policy (TULIP) is designed to provide short-term liability insurance coverage for tenants of facilities or venues for events that cannot be covered under their current insurance, or for which they have no other coverage. By purchasing the coverage under a policy written for all tenant users of a specific facility venue, the tenant user not only meets the contractual obligations required by the venue, but obtains coverage that is more competitive than purchasing a single special event policy. This is an efficient tool for venues to provide a valuable service to anyone using their space, as well as protect the venue.
