

JEM'S APARTMENT APPETITE

JEM Underwriting Managers' experienced underwriters bring deep property market insight and are pleased to share their apartment appetite and expertise. Specializing in property insurance solutions with a strong focus on natural catastrophe risks, JEM develops creative, account driven solutions for exposures including real estate and personal property, business interruption, time element, boiler explosion, and machinery breakdown. Coverage is available on a primary, excess, or full value participation basis, and JEM also offers a Buy Back Program for various perils.
