Founded in 2011, Ryan Specialty Renewables is a Managing General Underwriter (MGU) specializing in property and casualty insurance solutions for renewable energy projects. With over 100 years of collective insurance experience, the firm is deeply embedded in the renewable energy space, underwriting complex risks across wind, solar, biofuel, hydro, battery energy storage, and hydrogen sectors. Ryan Specialty Renewables is advancing its strategic commitment to support the **Green Energy Transition** across the United States for our broker clients and their small-middle enterprise (SME) green energy insureds. This initiative supports our mission to accelerate the global energy transition by delivering innovative, data-driven insurance solutions tailored to the evolving risks of green energy infrastructure.

Ryan Specialty Renewables is a part of Ryan Specialty Underwriting Managers (RSUM). Ryan Specialty Renewables' operations are conducted through multiple legal entities, the choice of which depends on where the entities are authorized to operate. In the US, Ryan Specialty Renewables is a series of RSG Underwriting Managers, LLC, a Delaware limited liability company based in Illinois (in California: RSG Insurance Services, LLC (License #0E50879)). In Canada, Ryan Specialty Renewables is a tradename of Ryan Specialty Canada Limited. In the UK and Europe, Ryan Specialty Renewables is a trading name of Ryan Specialty Underwriting Managers International Limited (RSUMIL) and Ryan Specialty Europe GmbH. RSUMIL is incorporated in England and Wales with Registered Office at 6th Floor, 25 Fenchurch Avenue, London EC3M 5AD. RSUMIL is authorised and regulated by the Financial Conduct Authority, under FRN 582862. Ryan Specialty Europe GmbH (HRB 181011) is licensed by the Hamburg Trade Chamber (Handelskammer Hamburg) with Registered Office at Hohe Bleichen 8, 20354, Hamburg, Germany; Spanish Branch Office at Avenida del Doctor Arce 14, 28002, Madrid (Branch Number CIF W-0025091J); Swedish Branch Office at Brahegatan 2, 114 37 Stockholm, Sweden (Company Number 516413-9775); and UK Branch Office at 6th Floor, 25 Fenchurch Avenue, London EC3M 5AD (FRN: 1004180, Registered Company Number: FC040776). In the UAE, Ryan Specialty Renewables' operations are conducted by Ryan Specialty (DIFC) Limited, a company registered in the Dubai International Financial Centre with Registered Office at GV-00-10-08-OF-08, Floor 8, Gate Village Building 10, DIFC, Dubai, UAE (license number 12011; DFSA reference number F012153). For further information on how Ryan Specialty Renewables operates across jurisdictions, please see the organization's International Operating Model, available on the website at Ryan Specialty International Operating Model Regulatory Information – Ryan Specialty. The legal entities identified herein are subsidiaries of Ryan Specialty, LLC. Ryan Specialty Renewables works directly with brokers, agents and insurance carriers, and as such does not solicit insurance from the public. Some products may only be available in certain jurisdictions, and some products may only be available from surplus lines insurers. RSUM (including RSG Underwriting Managers, LLC, RSUMIL, and Ryan Specialty Europe GmbH) has received a PA-1 Performance Assessment from AM Best, effective June 2, 2026.
